

Attestation of conformity of the factory production control

0765-CPR-0562

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), it has been stated that the construction product

birch plywood for building purposes

plywood, birch, phenolic-formaldehyde (PF), laminated
technical class: EN 636-3 S
placed on the market by

Sykytvkar Plywood Mill Ltd.

Uchtinskoe ave. 66

167026 Sykytvkar

Russia

and produced in the factory

Sykytvkar Plywood Mill Ltd.

Uchtinskoe ave. 66

167026 Sykytvkar

Russia

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body No. 0765 - Fraunhofer-Institut für Holzforschung, Wilhelm-Klauditz-Institut (WKI) - performed the continuous surveillance, assessment and approval of the factory production control in first half-year 2017.

This attestation confirms that all provisions concerning the attestation of factory production control described in Annex ZA of the standard

EN 13986:2004+A1:2015

were applied.

This attestation is part of the evaluation report and confirms the certificate with No. 0765-CPR-0562 as long as the conditions laid down in the harmonised technical specification, the manufacturing conditions in the factory or the factory production control itself are not modified significantly.
